

5. TĚLESNÉ SOUSTAVY

A body system consists of a group of organs that form different systems.

1. The musculoskeletal system is composed of the skeletal system which provides a framework for the body and protects vital organs.

It consists of bones and joints and functions relate to the muscle system.

The purpose of this system is a movement caused by contraction and extension of muscles. We distinguish between voluntary and involuntary muscles.

2. The circulatory system is the heart and a network of blood vessels: arteries, capillaries, and veins.

3. The digestive system consist of the mouth, oropharynx, esophagus, stomach, small and large intestine and the anus.

4. The respiratory system is made up of the nose, nasopharynx, trachea, bronchi, and the lungs.

5. The urinary system is composed of the kidneys, ureters, bladder, and the urethra.

6. The nervous system is consisting of brain, spinal cords, peripheral nerves, autonomic nerves.

7. The endocrine system consist of seven glands for example thyroid gland and its function is to produce hormones.

8. The reproductive system is divided into the:

males and it's the testes, epididymis, seminal vesicles and the prostate.

and the females: the ovaries, Fallopian tubes, uterus, and the vagina

9. The integumentary system protects the body against pathogenic organisms and injury and consists of the skin. Organs of the body are positioned within spaces called cavities: the cranial cavity, the spinal cavity, the thoracic cavity, the abdominal cavity, and the pelvic cavity.

Rodina.

1. Describe your family.

There are 6 members in our family - parents and 4 children.

We all have good relationships in the family, even with relatives, and I get along well with them.

2. Expectations from your partner in respect of his personal qualities.

I expect my boyfriend to support me, help me, spend time with me, give me love.

3. Your plans for the future in respect of the family:

- **Would you like to get married?** yes, I would like to get married.
- **Would you like to live with your partner before getting married?** yes, to know how we can live together.

4. What are the possible ways of meeting partners?

For example, somewhere at an event, in a club, at a concert, outdoors and nowadays even on social networks.

5. How do you spend time with your friends?

I spend a lot of time with my boyfriend, we go to the pool a lot, for walks.

6. What role does your family play in your life?"

They are all very important to me because I love them all very much.
